Section 41-9-623
Submission of data to Criminal Justice Information Center.

(a) All criminal justice agencies within the state shall submit to ALEA, fingerprints, descriptions, photographs, and other identifying data on the following persons:

(1) Persons who have been lawfully arrested in this state for an offense.

(2) Persons who have been charged with an act of delinquency or adjudicated a youthful offender for conduct which would constitute an offense if committed by an adult.

(b) All chiefs of police, sheriffs, prosecuting attorneys, parole and probation officers, wardens, or other persons in charge of correctional or detention institutions in this state shall furnish ALEA with any other data deemed necessary by the commission to carry out its responsibilities under this article.

21

1. Require Police to Book Offender

- Fingerprint & Photograph (TCN)
- Identify Offender (SID)
- Specify Charges Clearly

2. Do not accept case w/o full arrest record

3. Record the disposition fully / address all charges

4. Transfer Record Electronically

Where do we go next?

22

Opportunity to Work Together

Connect local case management system to state repository

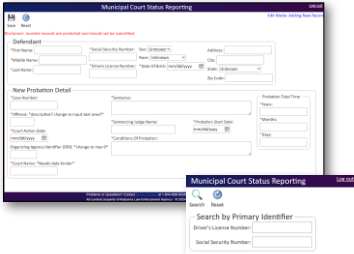

Possibly validate person data with State DL database

23

Conditions of Probation

815-22-52.1
Requires ALEA CJIS to provide conditions of probation through LETS.
Law does not appear to apply to municipal courts, but just in case, we are creating a submission mechanism.
