City of Ashville

The city of Ashville utilized the AMFund program to secure **\$262,500** to finance the construction and installation of capital improvements such as **improvements to the city's library**. A new library was important to Ashville to promote education and literacy, fostering community as a gathering place, and stimulating the local economy. BB&T served as the lender.

AMFund was developed by the Alabama League of Municipalities to assist Alabama's cities and towns in funding local projects, equipment purchases and refinancing existing debt.
