City of Tuskegee

The city of Tuskegee utilized the AMFund program to secure \$2,560,000 to finance the construction and installation of capital improvements such as improvements to Tuskegee's Commerce Park. The improvements to **Tuskegee's Commerce Park included site preparation, construction of new power sub-stations and utilities improvements.** A major automobile parts supplier constructed a 430,000-square-foot building within the Commerce Park. This was a major economic development boost for Tuskegee as it created over 250 new jobs in the city. Regions Bank served as the lender.

AMFund was developed by the Alabama League of Municipalities to assist Alabama's cities and towns in funding local projects, equipment purchases and refinancing existing debt. The purpose of AMFund is to provide timely, low-cost, direct bank debt financing to fund almost any size municipal project.

Our AMFund Team is ready to assist you with any questions you may have. All inquiries are confidential.
