

CMO Credit Available at the 2021 Municipal Leadership Institute

Submit a credit form: To earn credit hours in the CMO Program elected officials must complete an online credit form provided by email from the League. The online credit form will be sent to each mayor's and councilmember's unique email address. Officials are responsible for submitting credit forms as instructed to ensure proper posting of credit hours.

The Municipal Leadership Institute qualifies for ten and one-half (10 ½) credit hours and one (1) emeritus point in the Certified Municipal Official Program.
