PROMOTING AND PROTECTING MUNICIPAL GOVERNMENT SINCE 1935

Dear Partner,

As the recognized voice of Alabama's cities and towns for more than 90 years, I want to personally invite you to join the Alabama League of Municipalities' partnership network!

Since 1935, our nonpartisan membership association has been dedicated to advocating for strong municipal policies, as well as educating both new and veteran municipal officials about best practices in doing their jobs and giving them the resources and tools to develop innovative ideas. In 2025, over 80% of Alabama's 466 municipalities hosted elections, which means 2026 is a great year to connect with new leaders and strengthen bonds with member communities. Our team wants to ensure that every one of Alabama's municipal leaders has a firm foundation, so they can better serve their communities and that is where you come in.

As a strategic partner, sponsor or exhibitor, you will play a crucial role in supporting our mission to strengthen local leadership. Your partnership will assist us with hosting strategically crafted events and programs throughout the year. We hope that you will join us in our journey to make Alabama's communities the best places to live, work and play.

Sincerely,

Gregory D. Cochran, ALM Executive Director

ANNUAL LEAGUE EVENTS:

LEGISLATIVE ADVOCACY DAY

The League's annual Legislative Advocacy Day is specifically designed to allow municipal officials the opportunity to share their ideas and concerns with Alabama's political leaders. Held near the beginning of each legislative session, this day-long event features legislative leadership panels, updates from various state agencies, an overview of the upcoming session from the League's Advocacy Team and a networking reception with state lawmakers and their staffs. (Strategic Partners are invited. See additional information in Partnership Benefits.)

ANNUAL CONVENTION

Each spring, ALM hosts its annual convention and expo providing timely informational sessions, access to municipal vendors and state agencies as well as outstanding networking opportunities for municipal officials and employees. This multi-day event is the largest event hosted by the League and is carefully planned to maximize the time and attention of attendees. New League leadership is also elected each year at the annual business session held during convention.

ETHICS ADVISORY! Based on the conclusions in Ethics Advisory Opinion 2011-01 and an informal opinion the League has received from the Ethics Commission, attendees at the League Convention should exercise caution before accepting an invitation to dinner, etc. from a vendor that is not a registered participant in the Convention. While the opinion indicates that a non-registered vendor or company who desires to interact with attendees during the conference may provide meals and other food and beverages, they may not under any circumstances use the interaction as an opportunity to lobby attendees or otherwise use it for a sales opportunity.

MUNICIPAL LEADERSHIP INSTITUTE

The League's Municipal Leadership Institute (MLI) is held each year in the late fall. Agendas are developed to address opportunities and challenges faced by Alabama's cities and towns and feature statewide and regional experts, thought leaders and League staff as well as a networking reception and ample time with vendors and exhibitors. Additionally, the League recognizes graduates from the CMO, CMA, ACE, and EDA programs in addition to those of DesignAlabama.
